Enea Strengthens Management Team

Håkan Rippe appointed Head of Corporate Development at Enea.

Enea® (Nordic Exchange/Small Cap/ENEA), a global software and services company focused on solutions for communication-driven products, today announced the appointment of Håkan Rippe as its new Senior Vice President Corporate Development. He will be responsible for strategic and structural development including mergers and acquisitions.

”We shall actively participate in our industry’s ongoing structural change to continuously develop Enea. Håkan Rippe has a genuine corporate development experience from the global software and services industry that makes him perfect for the new role at Enea”, said Per Åkerberg, president and CEO, Enea.

Håkan Rippe has worked with corporate development in the IT- and software industry for 15 years and has participated in more than 30 corporate transactions. In 1999 he joined Telelogic where he contributed to multiply the size of the company through several strategic acquisitions. Since 2008 Håkan Rippe has been a Business Development Executive at IBM’s Rational Software unit.

Håkan Rippe has a M.Sc. from Chalmers in Gothenburg. He will start at Enea in May 2009.
