

Correction of bulletin from the Annual General Meeting of EnergyO Solutions Russia AB

24 April 2009

In the bulletin issued earlier today regarding the annual general meeting of EnergyO Solutions Russia AB the information provided on the company's share capital, after the execution of the reduction of the share capital, was incorrectly indicated to be SEK 281,706,276.62. The correct amount shall be SEK 291,706,275.62.
