**Studsvik issues SEK 200 million three year bond**

**On February 18, 2013, Studsvik announced that the company had decided to investigate the feasibility and conditions of issuing a corporate bond on the Swedish market. The interest has been very strong and Studsvik has decided to issue a corporate bond.**

Studsvik will issue a senior unsecured bond with a volume of SEK 200 million and with final maturity in 2016. The bond has a floating interest rate of STIBOR (3 months) + 3.75 percentage points. Studsvik will apply for listing of the bond on NASDAQ OMX Stockholm.

"We are very pleased by the great interest shown by investors for Studsvik's bond issue. Through the bond issue we secure a competitive financing for future business opportunities", comments Jerry Ericsson, CFO Studsvik AB.

Swedbank AB (publ) have acted financial adviser to Studsvik in connection with the bond issue.
