Article 1

(1)

The name of the company shall be SPARBANK A/S. The company shall be domiciled in the Municipality of Skive, Denmark. Moreover, the Company shall engage in business activities under the names specified in Appendix 1. The Appendix shall form part of the Articles of Association.

(2)

The object of the company shall be to engage in bank activities, including the handling of functions in relation to trade in money, credit instruments and securities and related services as well as other activities permitted by the Danish Financial Business Act (*Lov om finansiel virksomhed*).

Capital and shares

Article 2

(1)

The share capital of the Company shall be DKK 120.5 million, divided into shares of DKK 20 each. The share capital has been paid in full.

(2)

The shares shall be registered shares and shall be registered with VP Securities Services (*Værdipapircentralen*) and registered in the names of the holders in the Company's register of shareholders.

The shares shall not be assigned to the bearer. The shares shall be negotiable instruments. The acquirer of a share shall not exercise any rights due to a shareholder unless such acquirer has been registered in the Company's register of shareholders or has reported or documented such acquisition. This shall not, however, apply to the right to dividend and other payments nor to the right to subscribe for new shares issued in connection with a capital increase.

(3)

The shares shall be freely negotiable, cf., however, Article 4(1). No shareholder shall be under an obligation to have his or her shares redeemed, either wholly or partially, cf., however, Article 4(1).

Article 3

(1)

Until 16 March 2009, the Board of Directors shall be authorised to increase the bank's capital in one or more steps by up to DKK 300 million with pre-emption rights for the shareholders.

The terms of a capital increase shall be laid down by the Board of Directors pursuant to the provisions of the Danish Public Companies Act (*Aktieselskabsloven*).

The increase shall take place through cash payment. The rights of the new shares shall enter into force from the time when such shares are paid in full. Where such payment is made in the second half of a financial year, the holders of such shares shall, however, only be entitled to receive half the dividend in connection with the distribution of dividend for the relevant financial year.

It shall be possible to effect the capital increase without any pre-emption rights for the Company's existing shareholders where such increase is effected in public subscription at market price, in connection with debt conversion or as payment for the Company's acquisition of other banks or capital assets at a value corresponding to the value of the shares issued. Save for the aforementioned, the shareholders shall have the right to subscribe for the new shares.

Until 16 March 2009, the Board of Directors shall be authorised to raise loans in one or more steps against bonds or other debt instruments which grant the lender the right to convert his claims into shares in the Company. The Board of Directors shall also be authorised to make decisions on the subsequent capital increases which are required in order to implement the conversion of convertible loans. Convertible loans shall be paid in cash and shall not exceed half of the share capital at the time when the Board of Directors makes the decision to raise such loans.

The detailed provisions governing the raising of convertible loans and the subsequent capital increases shall be laid down by the Board of Directors; however, such that Article 3(2) shall apply in connection with a conversion.

The Board of Directors shall have the right to decide on a complete or partial derogation from the pre-emption right for the existing shareholders, including such

that the convertible loans are reserved for individual investors and/or

that the convertible loans are offered in public subscription with or without pre-emption rights for the shareholders, in both cases at the market price of the convertible loans.

The Board of Directors shall have the right to adopt such amendments to the Articles of Association as are deemed necessary in connection with the exercise of the aforementioned authorisations and/or which are a necessary consequence of the capital increase(s), including the cancellation of this subarticle once the authorisation has been exercised in full or when the deadline for such exercise has expired.

(2)

In connection with future capital increases, the new shareholders shall have the same pre-emption rights as the existing shareholders. The shares shall be negotiable instruments, issued to registered holders and registered in the Company's register of shareholders.

(3)

The Board of Directors shall be authorised to adopt such amendments to the Articles of Association as are necessary in relation to the capital increase.

(4)

Pursuant to section 37 of the Danish Public Companies Act, the Board of Directors shall be authorised to issue share options and carry out related capital increases without pre-emption rights for existing shareholders, cf. section 40 b of the Danish Public Companies Act.

The new shares shall be negotiable instruments.

The new shares shall be issued to registered holders and shall be registered with VP Securities Services and registered in the names of the holders in the Company's register of shareholders. The shares shall not be assigned to the bearer.

The new shares shall be freely negotiable, cf., however, Article 4.

No shareholder shall be under an obligation to have his or her shares redeemed, either wholly or partially, cf., however, Article 4.

The rights of the new shares shall enter into force from the time when such shares are paid in full. Where such payment is made in the second half of a financial year, the holders of such shares shall, however, only be entitled to receive half the dividend in connection with the distribution of dividend.

The acquirer of the new shares shall not exercise any rights due to a shareholder unless such acquirer has been registered in the Company's register of shareholders or has reported or documented such acquisition. This shall not, however, apply to the right to dividend or other payments nor to the right to subscribe for new shares issued in connection with a capital increase.

The authorisation shall remain in force until 16 March 2009 for an amount of up to DKK 500,000.

Article 4

(1)

No shareholder shall hold more than ten per cent (10%) of the Company's shares without the consent of the Company's Board of Directors. The Board of Directors shall only have the right to grant such consent to Spar Vest Fonden or any holding company established at a later point in time as part of a change of the Company's financial activities. Furthermore, the Board of Directors shall have the right to grant consent in connection with any reconstruction of the Company carried out in agreement with Finanstilsynet (*The Danish Financial Supervisory Authority*) following a loss of capital.

Where this limit is exceeded, the shareholder shall dispose of the excess shareholding within four (4) weeks of the shareholder having been requested to do so. Where the shareholder fails to comply with such a request before the expiry of the deadline, the Company shall have the right to redeem the excess shareholding at par or at the price registered from time to time where the price is lower than par.

(2)

Any shares belonging to different owners according to the registration in the Company's register of shareholders shall, in respect of Article 4(1), be deemed to belong to one shareholder if there is such a special connection between the owners that the exercise of the voting rights carried by the shares must be deemed to be controlled by the same interest group, including in cases where the owners through a shareholding or in some other way are attached to a joint group or some other kind of community of interest.
