The nomination committee of the Company proposes that the Meeting resolves in accordance with the following:

- Jesper Schönbeck, member of the Swedish Bar Association, is proposed to chair the Meeting.
- It is proposed that, for the period until the end of the next annual general meeting, the board shall consist of four (4) members without any deputy members of the

board.

- For the forthcoming period of office, it is proposed that the members of the board shall be paid a total amount of SEK 675,000, of which SEK 225,000 shall be paid to the chairman of the board and SEK 150,000 shall be paid to each other member of the board elected by the Meeting and who is not employed by the Company. It is proposed that auditor fees shall be paid in accordance with an approved invoice.
- The following members of the board are proposed for re-election: Robin Ahlström, Frans Boch, Ramanan Raghavendran and Björn C. Andersson. It is also proposed that Björn C. Andersson is re-elected as chairman of the board.
- The registered auditing company Ernst & Young AB is proposed for election as auditor for the period until the end of the next annual general meeting.

Item 13: Proposal regarding principles for appointment of a nomination committee for the annual general meeting 2014

The nomination committee proposes that the annual general meeting shall resolve to adopt principles for the appointment of a nomination committee for the annual general meeting 2014 in accordance with the following.

The nomination committee shall have three members. The chairman of the board shall contact the two largest shareholders, with respect to voting power as per the end of the third quarter of the year. These two shareholders are offered to appoint one member each to the nomination committee, in which a member of the board also shall be a member. If any such shareholder chooses not to exercise its right to appoint a member, the right shall pass on to the shareholder who, after the aforementioned shareholder, has the largest shareholding. The chairman of the nomination committee shall be elected by and from the members of the nomination committee. However, a member of the board of the Company may not be chairman of the nomination committee.

If a shareholder, who has appointed a member of the nomination committee, sells a not insignificant part of its shareholding during the tenure of the nomination committee and thereby ceases to be a shareholder with rights to appoint a member of the nomination committee, the member appointed by such shareholder should resign from the nomination committee. Such member shall then be replaced by a member appointed by the shareholder who, based on voting power following the sale, is one of the two largest shareholders in the Company. If such shareholder does not exercise its right to appoint a member of the nomination committee, the procedure above shall be applicable.

In the event a member no longer represents the shareholder who appointed him or her, or in any other way is dismissed from the nomination committee prior to the completion of the nomination committee's work, such shareholder shall be allowed to appoint a new member of the nomination committee.

No fees shall be paid to the members of the nomination committee. The nomination committee shall pursue the tasks that, according to the Swedish Code of Corporate Governance, are the responsibility of a nomination committee.

Proposals of the board

Item 8b: Appropriation of the Company's results

The funds at the annual general meeting's disposal consists of the result of the year, SEK 32,086,705, the share premium reserve, SEK 577,705,947, and the Company's accumulated results, SEK -19,444,957, in total SEK 590,347,695.

The board proposes that the funds at the annual general meeting's disposal, SEK 590,347,695, shall be allocated as dividends to the shareholders of SEK 0.5 per share, in total SEK 7,447,425.50, and that the remaining unrestricted equity, SEK 582,900,269.50, is carried forward. The reason for the deviations from the amounts that were presented in the annual report is that the Company, since the annual report was published, has repurchased additional shares, which do not have a right to dividends. Friday 17 May 2013 is suggested as record day for dividends. If the annual shareholders' meeting adopts a resolution in accordance with the proposal the dividend is estimated to be paid through Euroclear Sweden AB on Wednesday 22 May 2013.

Item 14: Proposal for remuneration guidelines for the senior management

The board proposes that the Meeting resolves that the following guidelines shall apply for remuneration to the Company's senior management for the time until the end of the next annual general meeting.

Remuneration to the Company's senior management shall be market based and competitive in order to enable the Company to attract and keep competent senior management. Remuneration shall be appropriate in such way as to justify a long-term value creation for the Company. Remuneration may consist of four parts:

- fixed salary and fees,
- variable remuneration, which includes share and share price related incentive programs,
- pensions, as well as
- other economic benefits.

The board decides which structure the remuneration shall consist of in order to efficiently fulfil its purpose. If variable remuneration shall be paid, this remuneration shall be linked to predetermined and measurable criteria, as well as be designed with the purpose to promote the Company's long term value creation. Variable remuneration may amount to a maximum of 50 per cent of the fixed annual salary. Share and share price related incentive programs, if any, shall be designed to align the interest of the owners of the Company and the senior management.

The board shall be entitled to deviate from the guidelines above if the board, in certain cases, deems that there are special reasons to motivate such deviation.

Item 15: Proposal to authorise the board to acquire the Company's own shares

The board proposes that the Meeting resolves to authorise the board to decide on the acquisition of the Company's own shares where, principally, the following shall apply;

1. Acquisition of own shares shall take place on NASDAQ OMX Stockholm.
2. The authorisation may be utilised on one or several occasions, however not longer than until the 2014 annual general meeting.
3. Shares may be acquired to the extent that the Company's holding of its own shares, on any occasion, does not exceed ten (10) per cent of the Company's total shares.
4. Acquisition of shares may only take place at a price within the price interval, on any occasion, recorded on NASDAQ OMX Stockholm, which refers to the interval between the highest buying price and the lowest selling price.

The purpose of the proposed authorisation is to provide flexibility in relation to the Company's possibilities to return capital to its shareholders, to improve the capital efficiency

in the Company, and to prevent an excessively wide NAV/share price discount in relation to the Company's shares, which altogether is deemed to be susceptible to have a positive impact on the Company's share price and thereby contribute to an increased shareholder value.

A resolution in accordance with the board's proposal shall only be valid where supported by not less than two-thirds of both the votes cast and the shares represented at the meeting.

The annual report and the auditor's report, as well as the board's proposal according to item 14-15, the auditor's statement under Chapter 8 Section 54 of the Swedish Companies Act and the board's statement under Chapter 19 Section 22 of the Swedish Companies Act will be held available at the Company's office on Grev Turegatan 10, 1st floor, Stockholm, Sweden as from Tuesday, 23 April 2013, and will be sent to the shareholders who so request and who inform the Company of their postal address. The documents, together with the nomination committee's proposals, will also be held available on the Company's website www.naxs.se. All documents above will also be presented at the Meeting.
