

## Net Insight receives further expansion order from HTN in the US

30 April, 2008

**Stockholm, Sweden – Net Insight, leading developer of efficient and scalable optical transport solutions for media, IP and broadcast networks, has received a further order from HTN to expand its Nimbra-based transport network.**

In 2007, Net Insight received a first order from HTN for a Nimbra based network for its media transport services in several locations in the United States.

The new Nimbra equipment will be delivered in the second quarter 2008.

“We are pleased to be selected to support HTN’s network expansion”, said Fredrik Trägårdh, CEO of Net Insight.
