

IT Notice 41/13

## Genium INET – Open Auctions via FIX implemented for Fixed Income Markets

This IT Notice is aimed at Genium INET users on the Fixed Income Markets.

The member extranet [http://nordic.nasdaqomxtrader.com/memberextranet/genium\\_inet/](http://nordic.nasdaqomxtrader.com/memberextranet/genium_inet/) is always updated with the latest Genium INET related documentation.

As from June 17, 2013 Open Auctions will again be available for the Fixed Income auction markets through FIX.

### **External Test Systems**

The Genium INET External Test Environment 3 is upgraded to support Open Auctions.
