

Net Insight receives order from TOT, Thailand

22 April, 2008

Stockholm, Sweden – TOT Public Company Limited, has placed a first order for a video contribution network

TOT, a national telecommunications services provider in Thailand has placed an initial order to deploy Net Insight's Nimbra solution through our partner Traviscom Co., Ltd., a renowned system integration company in the telecommunications industry.

The order includes Nimbra 680's with the newly released 8 x Video access module as well as Nimbra 360's. The network will span a few initial nodes and offer efficient transport of uncompressed SDI video contribution between broadcasters within the country.

The order will be delivered during the second quarter 2008.
