Press release

Securitas Systems signs agreement with Saab for surveillance systems at correctional care facilities

Securitas Systems Sverige AB, a subsidiary of Securitas Systems Group, has signed an agreement with Saab AB worth MSEK 215 to supply customized security systems and services to new detention centers and remand prisons in Sweden.

The agreement is part of the contract that Saab has signed with Specialfastigheter AB, who is responsible for the Swedish Prison and Probation Service's premises.

"We are happy that Saab once again has chosen us as technical security partner, particularly since it is a very interesting and rapidly growing segment. The deal represents further progress for us in this customer segment" says Mikael Pettersson, CEO of Securitas Systems Sverige AB.

Under the contract with Specialfastigheter, Saab is a turnkey contractor and will supply surveillance systems to four surveillance centers while Securitas Systems is responsible for project management, design for installation, support and maintenance.
