Lapland Goldminers AB is an exploration company with the goal of becoming a producing mining company. The company is listed on the market place "First North" under the name GOLD, with Mangold Fondkommission AB as the Certified Adviser, as well as the OTC list of the Oslo exchange. Lapland Goldminers has secured a number of gold deposits along the so-called Guldlinjen ("The Gold Line") in Västerbotten. The Company's strategy is to develop a profitable, producing gold company with a centrally located processing plant in Fäboliden, Sweden, and in the Haveri area in Finland, which is supported by ore from one or several mines either through the Company's. The company is a member of SveMin, the trade association for mines, minerals and metal producers in Sweden (formerly called the Swedish Mining Association) and follows SveMin's reporting rules for public mining and exploration companies.
