### New rates of Nykredit ARMs subject to annual refinancing on 1 April

28 March 2008

Nykredit has finalised the auctions in connection with the interest rate adjustment of Nykredit's adjustable-rate mortgages (ARMs) subject to annual interest rate adjustment on 1 April.

The new cash loan rates of loans subject to interest rate adjustment based on the refinancing principles "10-day average price" and "auction price" are 4.488% and 4.597%, respectively. For detailed auction results, please refer to the attached appendices.
