## **OEM International acquires Nexa Trading AB**

**OEM International has today acquired all shares in Nexa Trading AB. Nexa, with head office in Gothenburg, market products mainly in the Nordic countries for wireless control of lighting as well as products for security in private homes. The company had a turnover of approximately 52 MSEK in 2013.**

- Thanks to this acquisition we enter two new market segments. Wireless control fits in many ways to our current position within lighting, while security products are a brand new area for us. The company has a strong range of products and a well-established brand, says Jörgen Zahlin, Managing Director and CEO for OEM International.

The purchase sum amounts to approximately 25 MSEK, plus an additional purchase sum based on the business development during three years. The acquisition is expected to have a marginal positive impact on OEM's profit for the current year.
