Arcam receives order from implant industry in Europe

Arcam, listed on NASDAQ OMX, has received an order for an Arcam Q10 system from an implant manufacturer in Europe.

"This is an order from a new customer in the implant industry. Our new EBM system range, the Q-series, is well received and the Arcam Q10, designed for implant manufacturing, helps us reach new customers", says Magnus René, CEO of Arcam.

The above information has been made public in accordance with the Securities Market Act and/or the Financial Instruments Trading Act. The information was published on February 11, 2014.
