Componenta's Annual Report, Financial Statements and Corporate Governance Statement for 2013 published

Componenta's Annual Report and Financial Statements for the financial year 1 January - 31 December 2013 and a separate Corporate Governance Statement have been published in Finnish and English at Componenta's website at the address www.componenta.com.

The online annual report contains the Financial Statements for 2013 including the consolidated financial statements, the financial statements of the parent company, the report by the Board of Directors and the auditor's report. The annual report covers also the information related to corporate sustainability.

The download center of the online annual report includes ready-made entities for downloading, and tailored reports can be created.

Componenta's Corporate Governance Statement for 2013 has been given as a separate report from the report by the Board of Directors.
