## Arcam receives order from New Zealand

Arcam, listed on NASDAQ OMX, has received an order for an EBM system from Zenith Tecnica Ltd. in Auckland, New Zealand.

“We are very happy about this new order. This will be our first delivery to New Zealand and is fully in line with our strategy to expand our customer base. It is exciting that our technology attracts customers in new regions and markets”, says Magnus René, CEO of Arcam.

“We are excited to purchase our first Arcam EBM, which we are convinced it is the best industrial Additive Manufacturing technology. We are looking forward to further collaboration with Arcam”, says Martyn Newby at Zenith Tecnica Ltd.

The above information has been made public in accordance with the Securities Market Act and/or the Financial Instruments Trading Act. The information was published on February 27, 2014.
