TeliaSonera's Annual Report for 2007

TeliaSonera's Annual Report for 2007 is now available at <http://www.teliasonera.com/annualreport>. This year's version is completely digital and represents an important step in TeliaSonera's ongoing work to reduce the company's environmental impact. The text, layout and navigation through the digital annual report have been designed for easy reading and access. If needed, the reader can use the report as a tool for finding more detailed information, for example, by retrieving graphs on the financial performance of various business areas.

TeliaSonera is the leading telecommunications company in the Nordic and Baltic region, with strong positions within mobile communications in Eurasia, Turkey and Russia. At the end of 2006, we launched mobile services in Spain. We are the leading European provider of quality cross-border voice, IP and capacity services, provided through our wholly-owned international carrier network. In 2007, TeliaSonera's net sales amounted to SEK 96 billion, and at the end of December 2007 the total number of subscriptions exceeded 114 million in 17 countries. The TeliaSonera share is listed on the Stockholm Stock Exchange and the Helsinki Stock Exchange, and the company is included in the Dow Jones Sustainability Index. Simplicity and service are important tools for us in creating profitable growth and value for our customers and shareholders. Read more at www.teliasonera.com
