## IT – INET PROD – Reminder – Direct Away Market Access via NASDAQ OMX Exchange and Clearing Services AB's technical service (23/14)

As communicated in [IT Notice 13/14](#), NASDAQ OMX Nordic is broadening its execution services for its customers to get a cost effective direct away market access. The service utilizes FIX connectivity to INET Nordic trading system and NASDAQ OMX Smart Order Routing service.

The Direct Away Market Access is offered by NASDAQ OMX Exchange and Clearing Services AB, and is a technical service, enabling

- the use of direct routing strategies
- the use of the on-behalf-of functionality

Detailed information on the service can be found under [Execution Services](#) at NASDAQ OMX website.

Direct routing strategies are included in the [INET Nordic FIX protocol specifications](#) and Nordic Workstation.
