March 11, 2014

AkzoNobel Capital Markets Day 2014

AkzoNobel will today host a Capital Markets Day in London. The event is intended to give analysts and investors further insights into the operational strategies AkzoNobel is pursuing in its three Business Areas and will feature an introduction from CEO Ton Büchner as well as presentations from the responsible Executive Committee members and from CFO Keith Nichols.

Previewing the event, CEO Ton Büchner commented: “At our previous Capital Markets Day a year ago we introduced a new company-wide vision and strategy, as well as financial targets for 2015 focused on quality of earnings and value creation. A year on, we are on track to achieve these goals, and today I am looking forward to providing more color on the operational strategies we are implementing in our three Business Areas under the leadership of my Executive Committee colleagues Ruud Joosten (Decorative Paints), Conrad Keijzer (Performance Coatings) and Werner Fuhrmann (Specialty Chemicals).”

The event starts at 12:30 GMT and can be followed live online via AkzoNobel’s [website](#). The presentations will be available [on the site](#) from 12:30 GMT.

- - -

AkzoNobel is a leading global paints and coatings company and a major producer of specialty chemicals. We supply industries and consumers worldwide with innovative products and are passionate about developing sustainable answers for our customers. Safe Harbor Statement

This press release contains statements which address key issues such as AkzoNobel’s growth strategy, future financial results, market positions, product development, products in the pipeline and product approvals. Such statements should be carefully considered, and it should be understood that many factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, pensions, physical and environmental risks, legal issues, and legislative, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies. For a more comprehensive discussion of the risk factors affecting our business please see our latest annual report, a copy of which can be found on our website www.akzonobel.com
