

## Arabian Nights Jackpot Win: 3.3 MEUR payout to Finnish player

**March 11th, 2014** – Arabian Nights™, Net Entertainment's popular pooled jackpot slot, has paid out a 3.3 MEUR jackpot for a 50-year-old man from southern Finland playing on Casumo.com.

Arabian Nights™ is a progressive jackpot and part of Net Entertainment's jackpot network, where the liquidity from players from many of the largest European online casinos is pooled.

This life-changing payout represents the biggest Net Entertainment jackpot so far during 2014, but still somewhat short of the Guinness World Record payout of 17.9 MEUR from Mega Fortune™ in January 2013.

Other notable pooled jackpots from the Net Entertainment portfolio include Mega Fortune™ and Hall of Gods™, which both offer the chance to win multi-million euro payouts.

*"It's a pleasure to announce yet another life-changing Jackpot Arabian Nights™ and we extend our congratulations to both the winner and Casumo. This is the second significant sum paid out this year and it reinforces that our video slot pooled jackpots build up very quickly, which is supported by the high liquidity passing through these games."* comments **Simon Hammon**, Chief Product Officer of Net Entertainment.
