

Daylight Saving Time (DST), 30th March 2014

On Sunday, 30th March, at 01:00 GMT, the clocks will move forward one hour, leaving only 23 delivery hours that day. This document explains how this will affect the Sapri auction with delivery date 30th March 2014.

Single orders

The single hourly order window will only contain 23 periods, with period 03 omitted. See illustration:

Period	GMT/BST	1	2	3	4	5	6	7
01	23:00-00:00	-500,00						
02	00:00-02:00							
04	02:00-03:00							
05	03:00-04:00							
06	04:00-05:00							
07	05:00-06:00							
08	06:00-07:00							
09	07:00-08:00							
10	08:00-09:00							
11	09:00-10:00							
12	10:00-11:00							
13	11:00-12:00							
14	12:00-13:00							
15	13:00-14:00							
16	14:00-15:00							
17	15:00-16:00							
18	16:00-17:00							
19	17:00-18:00							
20	18:00-19:00							
21	19:00-20:00							
22	20:00-21:00							
23	21:00-22:00							
24	22:00-23:00							
Sum								

Block orders

All blocks including period 03 will contain one hour less than they normally would. Example: block B0104 will contain only 3 hours.

Customised blocks will not be able to start or end with period 03.

Example: Block B0324 will not be accepted. See illustration:

Order Ref	User Ref	Block Period	GMT/BST	Price	Volume	Linked To	Saved By
W0311001	test 1	B0124 (Base)	23:00-23:00	55,00	100,0		
W0311002	test 2	B0108 (Overnight)	23:00-07:00	66,00	-100,0		
	test 3	B0324					

Block with period 03 is not allowed when there are only 23 periods

OK
