

PRESS RELEASE

Helsingborg, 31 March 2014

Nederman's Annual Report 2013 published

Nederman's annual report for 2013 has been published today on our website. The printed version is being distributed to shareholders who have requested it and other stakeholders.

The annual report can be viewed and downloaded at: www.nederman.se or www.nederman.com. There is also information there about registration for the AGM on 23 April.

The printed annual report will be distributed to shareholders and other parties who have indicated that they wish to receive it by mail, through Nederman's subscription service. Printed copies can be ordered on the website or via email to: arsredovisning@nederman.com

For further information, please contact the Communications Department:

Facts about Nederman

Nederman is one of the world's leading companies supplying products and solutions in the environmental technology sector focusing on industrial air filtration. The company's products and systems contribute to reducing the environmental effects from industrial production, to creating safe and clean working environments and to boosting production efficiency. Nederman's offering encompasses everything from the design stage through to installation, commissioning and servicing. Sales are carried out via subsidiaries in 30 countries and distributors in over 30 countries. Nederman develops and produces products at its own manufacturing and assembly units in Europe, North America and Asia. The Group is listed on Nasdaq OMX, Stockholm and has around 1,950 employees.

Nederman Holding AB (publ), P.O. Box 602, SE-251 06 Helsingborg, Sweden.
