6.2.21. other business activity not attributed elsewhere;

6.2.22. qualification refreshment.

7. The Company can implement other activities not specified in these Articles of Association if those are not forbidden by the laws. The Company can implement licensed activity only after receiving corresponding licenses (permits).

III. CAPITAL OF THE COMPANY

8. Equity capital of the Company is comprised of:

8.1. paid authorized capital;

8.2. share premiums (excess to the shares' nominal value);

8.3. reappraisal reserve;

8.4. statutory reserve;

8.5. reserve for acquisition of own shares;

8.6. other reserves;

8.7. unappropriated earnings – profit (loss).

9. Authorized capital equals the sum of nominal values of all signed shares of the company.

10. Authorized capital of the company makes 82,867,200 (eighty two million eight hundred sixty seven thousand two hundred) Lit.

11. Authorized capital of the company is divided into 82,867,200 (eighty two million eight hundred sixty seven thousand two hundred) common inscribed shares. Nominal value per share makes 1 (one) Lit.

12. All shares of the Company are of one class, i.e. common inscribed shares.

13. The Company's shares are nonmaterial. Those are documented by records in personal securities accounts. Personal securities accounts of the Company's shareholders are administered as per procedure stipulated by legal acts regulating securities market.

14. The following reserves from the distributable profit are formed in the Company:

14.1. statutory reserve which shall be at least 1/10 of the company's authorized capital and can be used only to compensate losses of the company;

14.2. reserve for acquisition of own shares;

14.3. other reserves: reserve for investments, reserve for fulfillment of the company's obligations, reserve for social cultural needs, reserve for support, reserve for bonuses of employees. Part of the profit allocated for annual payments (share of profits) to members of the board and supervisory council, employees' bonuses and social cultural needs cannot be over 1/5 of net profit for the reporting financial year.

15. Other reserves from the distributable profit not stipulated by the company's Articles of Association to be used for realization of specific goals of the company can be formed in the company as well. All reserves are formed according to the procedure stipulated in Clause 25.9 of these Articles of Association.

IV. RIGHTS GRANTED BY THE SHARES

16. All shares of the Company grant equal rights to their owners (shareholders).

17. One common inscribed share grants the following property rights to its shareholder:

17.1. to receive a share of the Company's profit (dividend);

17.2. to receive the company's funds, when authorized capital of the Company is reduced to pay the company's funds to the shareholders;

17.3. to receive shares for free, when authorized capital is increased using the Company's funds, except for cases specified by the Law on Companies of the Republic of Lithuania;

17.4. priority right to acquire shares or convertible bonds released by the Company, except for the case when the general meeting of shareholders decided to annul priority right for all the

shareholders according to procedure specified by the Law on Companies of the Republic of Lithuania;

17.5. to borrow money to the Company according to methods stipulated by laws; however, while borrowing money from its shareholders the Company has no right to mortgage its property to the shareholders. When the Company is borrowing money from its shareholder, interests cannot exceed average interest rate of commercial banks located at residence or business place of the credit giver valid at the moment of making credit agreement. In such case the Company and shareholders are not allowed to agree upon larger interest rate;

17.6. to receive a part of property of the Company being liquidated;

17.7. other property rights specified by the Law on Companies of the Republic of Lithuania.

18. One common inscribed share grants the following non-property rights to its owner (shareholder):

18.1. to participate in general meetings of shareholders;

18.2. to propose questions related to questions of the agenda of general meetings of shareholders to the company in advance;

18.3. to vote in general meetings of shareholders according to rights granted by shares;

18.4. to receive information on the Company specified in Clause 76 of these Articles of Association;

18.5. to appeal to court with a lawsuit requesting to compensate damage incurred to the Company that originated due to failure to fulfill or improper fulfillment of obligations of the Company's director and members of the board stipulated in the Law on Companies of the Republic of Lithuania and other laws and in other cases specified by laws;

18.6. other non-property rights specified by the Law on Companies of the Republic of Lithuania.

19. One common inscribed 1 LTL nominal value share of the Company grants one vote at the general meeting of shareholders. Voting right at the general meeting of shareholders is granted only by the shares paid in full. The right to vote at the general meetings of shareholders can be forbidden or limited in cases specified the Law on Companies of the Republic of Lithuania and other laws as well as when share ownership is a topic of dispute.

V. THE COMPANY'S ORGANS

20. The company's organs are as follows:

20.1. general meeting of shareholders;

20.2. supervisory council;

20.3. board;

20.4. director of the Company.

VI. CALLING OF THE GENERAL MEETING OF SHAREHOLDERS

21. General meeting of shareholders is the supreme organ of the company.

22. Persons, who, at the end of the accounting day of the general meeting of shareholders, were shareholders of the Company, have the right to participate, speak, questions and vote during the general meeting of shareholders or repeated general meeting of shareholders of the Company personally, except for the case specified by the laws, or their authorized persons or persons, which the voting right delegation agreement was entered into with. The accounting day of the Company's meeting is the fifth business day before the general meeting of shareholders or the fifth day before the repeated general meeting of shareholders.

23. Members of the supervisory council, members of the board, director of the Company, inspector of the general meeting of shareholders and auditor that prepared conclusion and report also have the right to participate and speak at the general meeting of shareholders.

24. The general meeting of shareholders has as an exclusive right to:

- 24.1. amend the company's Articles of Association, excluding cases specified in the Law on Companies of the Republic of Lithuania;
- 24.2. change the company's location;
- 24.3. elect members of the supervisory council;
- 24.4. depose the supervisory council or its members;
- 24.5. elect and depose an audit company hired for audit of annual financial reports, set conditions of payment for audit services;
- 24.6. set category, number, nominal value, and minimal emission price of the Company's shares released;
- 24.7. approve a set of annual financial statements;
- 24.8. make a decision concerning distribution of profit (loss);
- 24.9. make a decision concerning formation, use, reduction, and cancellation of reserves;
- 24.10. approve an interim financial statements, drawn up in order to take a decision on the payment of dividends for less than one financial year;
- 24.11. make a decision on the payment of the dividends for less than one financial year;
- 24.12. make a decision to release convertible bonds;
- 24.13. make a decision to cancel priority right to purchase shares or convertible bonds of specific emission of the Company for all the shareholders;

- 24.16. make a decision for the Company to purchase its shares;
- 24.17. make a decision concerning reorganization or splitting-off of the Company and to approve conditions of reorganization or splitting-off;
- 24.18. make a decision to reorganize the Company;
- 24.19. make a decision to restructure the Company;
- 24.20. make a decision to liquidate the Company or to cancel the Company's liquidation, excluding the cases specified in specified in the Law on Companies of the Republic of Lithuania;
- 24.21. elect and depose liquidator of the Company, excluding the cases specified in specified in the Law on Companies of the Republic of Lithuania.

25. The general meeting of shareholders can also make other decisions, if they are not ascribed to competence of other Company's organs as per to the Law on Companies of the Republic of Lithuania and if it is not a function of administrative organs in their essence.

26. The general meeting of shareholders has no right to delegate solution of questions ascribed to its competence to other organs of the Company.

27. The general meeting of shareholders is called, organized and make decision following the provisions of the Law on Companies of the Republic of Lithuania. Inspector of the general meeting of shareholders is not elected in the Company.

VII. SUPERVISORY BOARD. COMPETENCE OF THE SUPERVISORY BOARD. PROCEDURE OF ELECTION AND DEPOSING OF ITS MEMBERS

28. The supervisory council is a collegial body supervising activity of the Company. The supervisory council is made of 5 members. The members of the supervisory council are elected for four years by the general meeting of shareholders. When electing the members of the supervisory council, each shareholder shall have a number of votes equal to the product of the number of votes granted by the shares he/she owns and the number of the members of the supervisory council to be elected. The shareholder should use these votes at his/her discretion, i.e. for one or more candidates. The candidates who received more votes will be elected. When there are more candidates who have received equal votes than the available positions in the supervisory council a repeated voting shall

be organized, where each shareholder may vote for only one of the candidates who have received equal number of votes. The supervisory council is headed by its chairman. The chairman of the supervisory council is elected by the supervisory council from its members.

29. The supervisory council implements its functions for the period specified in Clause 29 of these Articles of Association or until the new supervisory council is elected, but no more than until the ordinary general meeting of shareholders to take place during the year of the end of the supervisory council's term. The number of terms of a member of the supervisory council is not limited. The members of the supervisory council or its members start their activity by the end of the general meeting of shareholders that elected the supervisory council or its members.

30. When the Company's Articles of Association are amended due to formation of the supervisory council or increase in the number of its members, newly elected members of the supervisory council may begin their work only as of the day of registration of the amended Articles of Association. In this case making of the decision on the adoption of the amendment of the Articles of Association and the election of new members of the supervisory council can take place during the same general meeting of shareholders, if this is provided for in the agenda of the meeting.

31. The general meeting of shareholders can recall the entire supervisory council or its single members before the end of their term.

32. A member of the supervisory council can resign office before the end of the term by sending a 14 day written notice to the Company.

33. If a member of the supervisory council is deposed, resigns or stops holding his/her office for any other reason and shareholders with shares they own providing them with no less than 1/10 of all the votes object the election of single members of the supervisory council, the supervisory council should lose its authority, while the entire new supervisory council should be elected again. When single members of the supervisory council are elected, they should be elected only before the end of the term of office of the operating supervisory council.

34. Share of profit can be paid to the members for their work in the supervisory council as per procedure stipulated by the Law on Companies of the Republic of Lithuania and other legal acts.

35. The supervisory council:

35.1. elects the members of the board and deposes them. If the Company is working at a loss, the supervisory council is obliged to consider whether the board members are suitable for duties;

35.2. supervises activity of the board and the Company's director;

35.3. submits to the general meeting of shareholders feedback and suggestions regarding the Company's business strategy, set of annual financial statements, project of distribution of profit (loss) and annual report of the Company, as well as activity of the board and the Company's director;

35.4. submits to the general meeting of shareholders feedback and suggestions regarding the draft of the decision on the payment of the dividends for less than one financial year and the interim financial statements construed in order to make this decision and the prepared interim report;

35.5. submits proposals to the board and Company's director to revoke their decisions which are contrary to the laws and other legal acts, the Company's Articles of Association or the decisions of the general meeting of shareholders;

35.6. resolves other issued regarding supervision of activity of the Company and its management bodies which are attributed to competence of the supervisory council according to decisions of the general meeting of shareholders of the Company.

36. The supervisory council has no right to delegate or entrust the functions ascribed to its competence according to the Law on Companies of the Republic of Lithuania and these Articles of Association to other organs of the Company.

37. The supervisory council has a right to ask the Company's board and the Company's

director to submit the documents related to the Company's business.

38. The members of the supervisory council are obligated to keep commercial (production) secrets and confidential information of the Company, which they learnt while holding the office of members of the supervisory council.

39. A member of the supervisory council has the right to give a power of attorney of a simple written form to another member of the company's supervisory council who would represent him/her in voting at the meeting of the company's supervisory council.

40. Members of the supervisory council have equal rights. During the voting each member has one vote. When votes "for" and "against" are equal in number, the board's chairman has the casting vote. A member of the supervisory council can state his/her will, i.e. for or against the considered decision which project he/she got familiarized with, by voting in advance in writing or using electronic means provided safety of information transferred is ensured and the voting person can be identified. The board can make decisions and it is considered to be accomplished, when more than half of the members of the supervisory council participate in the meeting. Members of the supervisory council who voted in advance are considered to be participating in the meeting. Decision of the supervisory council is considered to be made, when more than half of all the supervisory council's members have voted for it. A decision to depose a member of the board can be made, at least when over 2/3 of the members of the supervisory council participating in the meeting vote for it. Meetings of the supervisory council should be recorded in protocols. The procedure of the supervisory council's operation is defined by the regulation of the supervisory council's work accepted by it.

VIII. BOARD OF THE COMPANY. COMPETENCE OF THE BOARD. PROCEDURE OF ELECTION AND DEPOSING OF ITS MEMBERS

41. The board of the Company is a collegial administration body. The board is made of 5 members. The members of the board are elected for four years by the supervisory council. The board elects the chairman of the board from its members.

42. Only a physical person can be elected as a member of the board. The member of the company's supervisory board or the person who has no right to hold such office as per legal acts of the Republic of Lithuania cannot be the member of the Company's board.

43. The number of terms of a member of the board and its chairman is not limited.

44. The board implements its functions for the period stipulated in Clause 42 of these Articles of Association until new board is elected and begins operating, but no more than until the ordinary general meeting of shareholders to take place during the year of the end of the board's term.

45. The board or its members start their activity by the end of the meeting of the supervisory council that elected the board or its members.

46. The supervisory council can recall the entire board or its single members before the end of their term.

47. A member of the board can resign office before the end of the term by sending a 14 day written notice to the Company.

48. Share of profit can be paid to the members for their work in the board as per procedure stipulated by the Law on Companies of the Republic of Lithuania and other legal acts.

49. The board considers and approves the following:
