no 36/14 NOS Migration into NASDAQ OMX Clearing – Members Confidence Test

The migration of NOS Clearing into NASDAQ OMX is progressing according to plan. The technical migration is planned to be completed by Saturday evening at 17:00 CET. Another Clearing and Exchange Notice will be published after completion of the technical migration.

Members Confidence Test

All members are strongly encouraged to login to NASDAQ OMX Genium INET system **between 12:00 – 14:00 CET** to verify production system access and data accuracy.

The markets are closed during weekends but members should verify the following to certify production readiness:

- Production system access with relevant applications (CW2 and third party applications)
- User setup and configuration
- Positions
- Margin requirement for Monday April 7th
- View EMIR reports

Please note that it will not be possible to login with Clearing Workstation 1 (**CW1**) to Genium INET during the member confidence test. Any members with access to Genium INET only through CW1 that wishes to verify its positions post migration should contact the NOS Onboarding team (contact details below).

The **CMS Web** application is not a part of the member confidence test. Members will be able to login to CMS Web to verify its collateral balance on Monday, April 7th, by 9 am CET.

Should you experience technical difficulties, please contact us:
