JSC Rietumu Banka Quarterly report

#### **General information**

#### Mission

The Bank offers qualitative and professional financial services for the dynamically growing enterprises and high-net-worth individuals from Latvia, the CIS, Europe and other world regions. The Bank aims at providing premium quality service, our personalised and customer-oriented approach allows to devise and offer tailored financial solutions for every customer meeting his/her business needs and personal requirements.

#### Vision

The Bank endeavors to strengthen its leading positions in wealth management and corporate client service in Latvia and beyond.

The Bank aspires to increase its efficiency ratios and strengthen its market position aiming at ensuring stable profitability. The Bank seeks the stable development achieved by means of effective internal technology and administrative infrastructure.

The Bank is also planning to foster the improvement of risks and control management systems, staff training and professional growth of all its employees.

Rietumu is a socially responsible Latvian bank rendering support for those in need through our Rietumu Bank Charity Fund.

#### Strategy

For achieving the set goals, the Bank has worked out and has been effectively implementing its corporate strategy focusing on the following areas:

/Cooperation with customers working on international scale, customers who own production companies, distribution networks, retail chains, transportation and real estate enterprises, import and export oriented companies, as well as customers with cross-border business requirements, etc.

/Assets and wealth management, brokerage services for stock exchange, investment and corporate finance, provision of loans to corporate entities, interbank lending and investment in securities, attraction of interbank loans, corporate and private deposits attraction.

/Constantly raising customer service quality by improving and expanding the existing product range according to the current market situation and the Bank's technological capabilities. /Continually improving the internal processes and information technologies.
