Pricing of the New Bonds

Amsterdam, 15 May 2014 – Wereldhave N.V. (“Wereldhave” or the “Company”) launched today an offering of bonds convertible into Wereldhave ordinary shares (the “New Bonds”) due 22 May 2019 for a total amount of EUR 250 million. The conversion price is EUR 75.474, representing a conversion premium of 20% over Wereldhave’s reference share price of EUR 62.8948, being the volume-weighted average price of Wereldhave’s ordinary shares (the “Shares”) on Euronext Amsterdam between launch and pricing of the New Bonds. The conversion price will be subject to adjustments pursuant to the terms and conditions of the New Bonds.

The New Bonds shall be issued at par in a nominal amount of EUR 100,000 per New Bond and pay a fixed coupon of 1% per annum, payable semi-annually in arrear in equal instalments on 22 May and 22 November in each year, commencing on 22 November 2014 and will be redeemed at par on 22 May 2019.

The Company will have the right to redeem all outstanding New Bonds at par plus accrued interest (i) on or after the third anniversary of the Settlement Date (as defined below) plus 21 days if the aggregate value of the Shares per New Bond for a specified period of time equals or exceeds 130 per cent. of the principal amount of the New Bonds or (ii) if 20 per cent. or less of the principal amount of the New Bonds issued remains outstanding.

The Shares underlying the New Bonds represent approximately 15.3% of the Company’s issued share capital immediately prior to the offering. Under the terms of the New Bonds, the Company will have the right to elect to settle any conversion entirely in Shares, cash or a combination of Shares and cash.

The proceeds of the new issue will be used for general corporate purposes and to finance the repurchase of EUR 100 million in nominal amount of Outstanding Bonds (as defined below) by the Company and thereby optimize Wereldhave's debt maturity profile.

The issue and settlement date for the New Bonds is expected to be 22 May 2014 (the "Settlement Date").
