Announcement 12/2014

TDC restated fact sheet

Following the divestment of TDC's Finnish subsidiaries, these activities are classified as 'Discontinued operations' in TDC's consolidated financial statements, effective from the Interim Financial Report for January-June 2014. Comparative figures in the income statements and cash flow statements are restated accordingly.

A restated fact sheet with comparative figures for and a presentation of the changes is therefore now available on TDC's website and attached this release.

The restatement does not give rise to any changes to the Guidance 2014, which was announced on 29 April 2014 and reaffirmed in connection with the release of the Q1 2014 results on 6 May 2014.
