INVISIO receives order of SEK 21.0 m from NATO country

INVISIO (IVSO) has received an order for a number of units of the communication systems INVISIO V60. The total order value is SEK 21.0 m and the products will be delivered during the second half of 2014.

The INVISIO V60 Communication System is an advanced tactical communication and hearing protection system. With INVISIO V60, the user gets a very light, compact and flexible communication system with built-in hearing protection and full 360 degree situational awareness. The system provides crystal-clear communication even in the most extreme and noisy conditions.
