Press release, June 30, 2014

Invitation to presentation of Eniro's interim report, January– June 2014

Eniro's interim report for the second quarter 2014 will be published at 08:00 CET on July 16th 2014. A web-cast telephone conference will be held at 10:00 CET the same day.

Eniro's President and CEO Johan Lindgren will present the results for the second quarter and answer questions. A possibility will be given to ask questions via the webcast and follow the presentation material live. The webcast is available on demand. To participate in the conference call, and thereby be able to ask questions, please call one of the following numbers:

SE: +46 (0) 8 519 993 58 or

UK: +44 (0) 207 660 2080

The presentation material will be published before the conference starts on Eniro's web page, www.enirogroup.com under Investor Relations. A recording of the telephone conference will also be available on the web page.

For more information, please contact:

Cecilia Lannebo, Head of Investor Relations, +46 722 208 277, email: cecilia.lannebo@eniro.com

The above information is such that Eniro AB (publ) shall make public in accordance with the Securities Market Act and/or the Financial Instruments Trading Act. The information was submitted for publishing at 09:30 a.m. on June 30, 2014.

Eniro is a search company that aggregates, filters and organizes local information. Our growth is driven by users' increasing mobility and multiscreen behavior, where we are at the forefront with modern technical solutions. For more than 100 years Eniro has helped people find local information and companies find customers. Today it is a multiscreen solution – our users search for information using their smart phones, tablets and desktops. Mobile advertising is today the fastest growing part of Eniro's business. Eniro is the local search engine. A smart shortcut to what you need, no matter where you are or where you are going.

Eniro is one of the largest search companies in the Nordic region. The company has approximately 2,800 employees and has been listed on NASDAQ OMX Stockholm since 2000. During 2013, Eniro's revenues amounted to SEK 3,660 M and EBITDA was SEK 849 M. More than 80 percent of Eniro's advertising revenues come from multiscreen channels. The company's headquarters are located in Stockholm, Sweden. More on Eniro at www.enirogroup.com.
