

Press release

Gothenburg 30 June, 2014

New President and CEO and new executive management in FinnvedenBulten

FinnvedenBulten focuses entirely on fasteners and a new Group Executive Management team, well established and with long experience from the fasteners- and automotive industry has been formed. The new President and CEO and the new executive management team take up their positions on July 1, 2014 and will concentrate fully on the growing international fasteners business. The intention is also to change the name FinnvedenBulten to Bulten which means that an Extraordinary General Meeting in the parent company is required.

In connection with the closing of the sale of division Finnveden Metal Structures June 30, 2014 the employee representatives Katarina Olsson and Peder Johansson (deputy), both employed by Finnveden Metal Structures, resign from their assignments in FinnvedenBulten's board.

FinnvedenBulten's new executive management will consist of:

Tommy Andersson, President and CEO

Since 2001 head of division Bulten and Executive Vice President of FinnvedenBulten since 2011. Employed by the Group since 2000. Previous senior positions mainly within the Autoliv Group. Born 1953. Holding in FinnvedenBulten: 182 868 shares.
