Announcement No. 21/2014

Correction: DB US High Yield 2019

On 1 July 2014, Danske Bank published the Applicable Final Terms for “DB US High Yield 2019” (ISIN XS1078029326) – see company announcement No. 20/2014.

Unfortunately, the Applicable Final Terms contained an error on page 7. The interest period has now been corrected, showing that interest is calculated from 2 July 2014 to 20 June 2015 in the first interest period and that the subsequent interest periods will each extend for one year from 20 June to 20 June. We enclose the Amended Applicable Final Terms, which incorporate the correction. We apologise for the error.

Yours faithfully
Danske Bank A/S
