Altor and Investor to divest the majority of Lindorff to Nordic Capital

Altor (42% of equity/50% of votes) and Investor (58% of equity/50% of votes) have signed an agreement to divest the majority of their holdings in Lindorff to Nordic Capital for an enterprise value of EUR 2.3 bn., of which a conditional vendor note of a maximum EUR 200 m. plus annual interest.

Altor and Investor will retain a maximum EUR 315 m. in equity in Lindorff, of which Investor will hold 58 percent.

The conditional vendor note has a maximum value of EUR 200 m. plus 8 percent annual interest and is contingent on the return on the new equity investment. Investor will hold 58 percent of the vendor note.

“Lindorff benefits from a strong position in the mature Nordic markets where we have developed a comprehensive strategy and an integrated approach to debt collection. We now use this model as a base for our growth in continental Europe to help banks deal with their non-performing loans. We are experiencing very strong growth, and with our new owner, who has a strong track record in the financial industry, we get access to in-depth knowledge, network and additional capital to pursue our growth strategy”, says Endre Rangnes, CEO of Lindorff Group.

“Lindorff has a great business model and it has developed strongly under our ownership together with Altor. We believe that Lindorff is now ready for its next development phase under a new lead owner, and we look forward to remaining as an owner”, comments Börje Ekholm, CEO of Investor AB.

The transaction values Investor's holdings in Lindorff at SEK 8.5 bn. Upon closing of the transaction, Investor will receive at least SEK 5.8 bn. in cash, with the retained equity and the vendor note making up the balance. The positive impact on Investor's net asset value is estimated at SEK 3.3 bn. compared to the reported value of SEK 5.2 bn. as of June 30, 2014.

Investor originally invested in Lindorff in 2008. The total capital invested amounts to SEK 4.0 bn.

Investor's holdings in Lindorff will be reported under Other Financial Investments.

The transaction is subject to approval from the relevant competition authorities and is expected to be completed during the fourth quarter 2014.
