INVISIO receives SEK 1,6 m order from the Canadian Department of National Defense

INVISIO (IVSO) has through its Canadian distribution partner Levitt Safety received an order from the Canadian Department of National Defense. The order is for various INVISIO headsets and communication solutions and the total order value is approximately SEK 1,6 m. The order is a follow up to previous orders from the same customer and the products will be delivered during the second half of 2014.
