

Israel's Enemies. Are Our Enemies. Israel's Fight is Our Fight. We Stand with Israel!

What Does Hamas Want?

Hamas seeks to destroy Israel:

Israel will exist and will continue to exist until Islam will obliterate it.

Hamas rejects negotiations with Israel:

There is no solution for the Palestinian question except through Jihad. Initiatives, proposals and international conferences are all a waste of time and vain endeavors.

Hamas wants to kill all Jews:

These are not just ugly words — this is Hamas' bloody program of action.

- Hamas terrorists have killed hundreds of Israeli civilians in suicide bombings.
- Since Israel withdrew from Gaza in 2005, Hamas and its allies have fired thousands of missiles at Israeli cities.
- Hamas has dug dozens of multi-million dollar terror tunnels into Israel to attack Israeli civilians.

When we were attacked on 9/11, *Hamas leaders cheered*. When we killed Bin Laden, *Hamas condemned us*. When Israel fights Hamas, *Israel is defending all of us*.
