

Press release

August 6, 2014

Cavotec's second quarter results are delayed to Aug 7 2014

Cavotec's publication of its 2Q14 results is delayed and will be published before market open on August 7 2014.

As a consequence, the conference call for investors, analysts and media will be held later the same day. A revised invitation for the conference call will be sent out during the course of today.

Michael Scheepers
Director, Investor Relations & Corporate Communications
