Judgment in share price manipulation action against NeuroSearch

Reference is made to company announcement no. 22-13 of 29 July 2013, in which NeuroSearch announced that the indictment concerning alleged share price manipulation had been released by the Danish State Prosecutor for Serious Economic and International Crime.

The Court has now set down the case for trial and will deliver judgment today, no attendance required.

In this connection, NeuroSearch will release a company announcement commenting on the judgment later today. On this background, the company has asked NASDAQ OMX Copenhagen to arrange for a suspension of trading in NeuroSearch securities as from 12:30 today until the publishing of the said company announcement later today.

The company announcement announcing the outcome of the judgment is expected to be released during the afternoon hours.
