Arcam receives order for an Arcam Q20 system

Arcam, listed on NASDAQ, has received an Arcam Q20 system order from a major group within the European aerospace industry.

“Our order book for our new large system, the Arcam Q20, continues to expand and we see that the aerospace market embraces the system”, says Magnus René, CEO of Arcam.

The above information has been made public in accordance with the Securities Market Act and/or the Financial Instruments Trading Act. The information was published on October 14, 2014.
