Husqvarna Group included in the FTSE4Good Index and the STOXX Global ESG Leaders

Husqvarna Group has been reconfirmed as a member of the FTSE4Good Index Series and appointed new member of the STOXX Global ESG Leaders index. The indices are designed to facilitate investments in companies that meet globally recognized corporate responsibility standards in environmental care, social care and corporate governance.

"It is gratifying that Husqvarna Group has been included. To us, this shows that we are on the right path," says Kai Wärn, President and CEO of Husqvarna Group.

FTSE4Good

First launched in 2001, FTSE (Financial Times Stock Exchange) evaluates companies based on publicly disclosed information on ESG (Environmental, Social and Governance) indicators, such as climate change, pollution, labor standards, health and safety, human rights, and anti-corruption.

STOXX Global ESG Leaders

As of end of September 2014, Husqvarna Group is also part of the STOXX[®] Global ESG Leaders indices. The STOXX Global ESG Leaders index offers a representation of the leading global companies in terms of environmental, social and governance criteria. STOXX is owned by Deutsche Börse Group and SIX Group.

2014 Global 100

Earlier this year, Husqvarna Group was recognized by the annual Global 100 list, presented at the World Economic Forum in Davos, Switzerland, as one of the world's most sustainable companies.
