About CAMPOSOL

CAMPOSOL is the leading agro industrial company in Peru, the largest exporter of white asparagus and soon the first producer of avocados in the world. It is involved in the harvest,

processing and marketing of high quality agricultural products such as avocados, asparagus, blueberries, grapes, mangos, peppers, artichokes, tangerines and shrimp; which are exported to Europe, the United States of America and Asia.

CAMPOSOL is a vertically integrated company located in Peru, offering fresh, preserved and frozen products. It is the third largest employer of the country, with more than 11 thousand workers in high season, and is committed to support sustainable development through a social responsibility policy and projects that increases the shared-value for all of its stakeholders.

CAMPOSOL was the first Peruvian agro industrial company to present annual audited Sustainability Reports and has achieved the following international certifications: BSCI, Global Gap, IFS, HACCP and BRC among others.
