About Medivir

Medivir is an emerging and profitable research-based pharmaceutical company with an established marketing and sales organisation in the Nordic region with a broad portfolio of prescription pharmaceuticals. Medivir receives royalties from Johnson & Johnson on the global sales of the hepatitis C pharmaceutical, Olysio®. In addition, revenues for sales of Olysio in the Nordic region are generated through the company's own sales and marketing organisation. Medivir's research and development portfolio of pharmaceuticals is based on the company's expertise within protease inhibitor design and nucleoside/nucleotide science. The company's research and development focus is within infectious diseases and oncology and the on-going clinical projects in osteoarthritis and neuropathic pain. Medivir is listed on the Nasdaq Stockholm Mid Cap List.
