NOTES TO THE FINANCIAL STATEMENTS

I. GENERAL INFORMATION

AS "DAUGAVPILS LOKOMOTIVJU REMONTA RUPNICA" (further in text - the Company) is registered in Enterprise register of Republic of Latvia in Daugavpils on 3 October 1991 and in Commercial register of the Republic of Latvia in Daugavpils on 8 June 2004. The legal address of the Company is 1 Marijas Street, Daugavpils, LV-5404, Latvia.

The Company is open joint stock company and it's shares are quoted in AS NASDAQ OMX Secondary list, Latvia.

Basic activity is repair, maintenance and modernization of railway rolling stocks, production, repair and sale of their spare parts.

The Group financial year is from 1 January 2014 till 31 December 2014, these consolidated interim financial statements cover the period from 1 January 2014 till 30 September 2014.

These financial statements are consolidated financial statements of the Company. The Company is the parent company of the Group. At the end of 2006 the Company established 11 subsidiary companies holding 100% shares in each. Subsidiary companies commenced active operations only in January 2007. During the reporting period there have been no changes in the Group at the end of the reporting period, the Group has investments in 11 subsidiaries.

II. ACCOUNTING POLICIES

(1) Basis of preparation

These condensed consolidated financial statements have been prepared in accordance with IAS 34 "Interim Financial Reporting", which have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted in EU.

(2) Ārvalstu valūtu pārvērtēšana

(a) Functional and presentation currency

Items are shown in the financial statements of the Group as measured using the currency of the primary economic environment in which the Group operates (the functional currency). Financial statements are presented in euro (EUR), which is the Group's functional and presentation currency.

(b) Transactions and balances

All foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income for the period.

Exchange rates used at the balance sheet date are as follows:

	30.09.2014.	30.09.2013.
	EUR	EUR
1 EUR/LVL	-	0,702804
1 USD	0,795	0,741
1 RUB	0,0201	0,0229

(3) Income recognition

Net sales represent the total of goods and services sold during the year net of discounts, value added tax. Main operation of the Group are repair and modernization of railway rolling stock. Taking into account the type of repair and modernization work and complicity of the order the period of provisioning the services could reach 3-6 months.

Income related to repair and modernization services are recognised on the basis of completion. Expenses connected with repair service agreement are recognized in the moment when occurred. When the outcome of a contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable. When the outcome of a contract can be estimated reliably and it is probable that the contract will be profitable, contract revenue is recognised over the period of the contract. When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense at recognition.

The Group apply the stage of completion method to determine the correct amount of revenues to be recognized in a given period. The stage of completion is measured by reference to the contract costs incurred up to balance sheet date as a percentage of total estimated costs for each contract. Costs incurred in the year in connection with future activity on a contract are excluded from contract costs in determining the stage of completion. They are presented as inventories or other assets, depending on their nature.

The Group presents as an asset the gross amount due from the customers for contract work for all contracts in progress for which costs incurred plus recognized profit (less recognized losses) subtracting progress billings. Progress billings not yet paid by customers and retention are included within "Trade receivables".

The Group presents as a liability the gross amount due to customers for contract work for all contracts in progress for which progress billings exceed costs incurred plus recognized profit (less recognized losses). Advances received from customers are disclosed under "Other liabilities".

Income from sales of goods in Latvia is recognized when the customer has accepted the goods. Income from sales of goods outside Latvia is recognized in accordance with the terms of delivery. Income from provision of other services is recognized by reference to the stage of completion of the services.

Interest income or expenses are recognized in the statement of comprehensive income for all loans and borrowings assessed at amortized cost applying the effective interest rate method.
