Aarsleff to build shell structure for Novo Nordisk A/S

Per Aarsleff A/S has entered into a partnering contract with Novo Nordisk A/S to build a shell structure with a total gross area of 15,000 square metres.

Aarsleff will carry out earthwork, establish construction pit and build the shell structure inclusive of interior fit outs. The contract is to be carried out in partnering, and Aarsleff was chosen after an initial value creation phase.

The preliminary budget price of the project is DKK 205 million. The construction work will begin now and is scheduled for completion by the end of 2015.

The earnings impact of the contract will be included in the total earnings expectations which will be informed as usual in the preliminary announcement of financial statements for 2013/2014.
