Utilization of transfer authorization in Investor AB to secure costs for the Company's long-term variable remuneration programs

The Annual General Meeting 2014 decided to authorize the Company's Board to decide on the transfer of the Company's own shares in order to secure commitments and costs for Investor's long-term variable remuneration program and for the issue of synthetic shares as part of the Board remuneration. Investor hereby announces that the Company's Board has decided to utilize the authorization for these purposes.

The transfer of own shares may take place on Nasdaq Stockholm during the period from December 5, 2014 up to and including May 12, 2015 at a price within the from time to time registered price interval. Transfers will not be made during the thirty-day periods prior to ordinary quarterly reports, the day of the announcement included.

Investor currently owns 5,839,012 of its own B-shares and the maximum number of shares that may be transferred amounts to 1,500,000 B-shares.
