

Swedish Vigmed signs distribution agreement for Austria

Vigmed announced today that they are entering the Austrian market with a distribution agreement for Austria with CODAN Medical GmbH.

.

Following last week's announcement of a signed agreement for France, Vigmed is now adding Austria to their rapidly expanding European network of distributors for their unique and patented safety products.

"We welcome CODAN Austria to our expanding cooperation within the CODAN family and we very much look forward to introducing our safety products to the Austrian market", says Vigmed Sales Director Europe, Mike Dooley. "As with the other CODAN agreements I am confident that the synergy between our products and the high quality ones in the CODAN range will ensure success for both companies".

"We have good relations with the opinion leaders and decision makers in the Austrian market following years of delivering high quality products and services", says Jürgen Preuer, Country Manager CODAN Medical. "It is with great pleasure and anticipation that we now can start selling the innovative products from Vigmed, and with this cooperation we look forward to developing our infusion therapy offering even more in the coming years."
