

## PRESS RELEASE

### Wolters Kluwer Tax & Accounting Investor Seminar

December 9, 2014 - Wolters Kluwer, a global leader in professional information services, will host a seminar today for analysts and institutional investors covering its Tax & Accounting division.

The afternoon seminar will be chaired by Nancy McKinstry, CEO of Wolters Kluwer, with presentations by:

- Karen Abramson, CEO, Tax & Accounting
- Teresa Mackintosh, President & CEO, Tax & Accounting, CCH US
- Henri van Engelen, Managing Director, Tax & Accounting Europe
- Jason Marx, President & CEO, Small Firm Services US & Brazil

The Tax & Accounting management team will present an in-depth view of the business and provide a perspective on customer needs, market trends, competition, and strategic priorities around cloud and collaborative solutions for professionals. No new trading information will be disclosed.

The seminar will start at 14:00 BST (15:00 CET) and finish before 17:00 BST (18:00 CET). The event will be audio webcast simultaneously on our website [www.wolterskluwer.com/Investors](http://www.wolterskluwer.com/Investors). For further details, please visit the Investor page of our website. A replay facility will be available after the event.

#### **Forward-looking Statements**

*This report contains forward-looking statements. These statements may be identified by words such as "expect", "should", "could", "shall" and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer's businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
