Press release, December 18, 2014

## Formpipe receives order from a Swedish authority worth SEK 1.5 million

Formpipe receives order on the ECM product W3D3 from a large Swedish authority. The order extends the authority's existing use of W3D3 as cloud service, the total order value amounts to SEK 1.5 million over a three-year period.

“We have a great deal of satisfied reference customers and the market's strongest product offering with standard eGovernment functionality. Revenues for our cloud services are 100 percent recurring, creating predictable revenue streams”, says Christian Sundin, CEO of Formpipe.
