

IT – INET – Removal of personal trader information in Nordic Workstation (114/14)

Nasdaq Nordic and Baltic have decided to remove personal trader information from the Nordic Workstation. This means that the “Member List”, currently containing personal information, will no longer be populated with data.

Implementation schedule

- INET Test (OTF) – December 19, 2014
- INET Production – January 19, 2015

Questions
