
ERICSSON ANNOUNCES CHANGE IN EXECUTIVE LEADERSHIP TEAM

- Effective January 15, 2015 Johan Wibergh, Executive Vice President and Head of Segment Networks, will leave his position and take on a role outside Ericsson.

Ericsson (NASDAQ:ERIC) today announced that Johan Wibergh, will leave his position to take on a role outside Ericsson. Wibergh joined Ericsson in 1996 and has since held a number of executive positions within the company. Since 2008 Wibergh has also been part of Ericsson's Executive Leadership Team.

Hans Vestberg, President and CEO said: "Under Johan's leadership we have consolidated our market leadership in mobile networks and taken important steps to drive company transformation in IP, Cloud and the evolution towards 5G. I am proud to see that he now takes on another senior position in the industry."

Although stepping down from his position immediately, Johan Wibergh will remain available to Ericsson until April 30, 2015 when he formally leaves the company.

Segment Networks consists of Business Unit Cloud & IP and Business Unit Radio. Effective January 15, 2015, Hans Vestberg will, in addition to his role as President and CEO, assume the role as Head of Segment Networks.

Ericsson is the driving force behind the Networked Society - a world leader in communications technology and services. Our long-term relationships with every major telecom operator in the world allow people, businesses and societies to fulfill their potential and create a more sustainable future.

Our services, software and infrastructure - especially in mobility, broadband and the cloud - are enabling the telecom industry and other sectors to do better business, increase efficiency, improve the user experience and capture new opportunities.

With more than 110,000 professionals and customers in 180 countries, we combine global scale with technology and services leadership. We support networks that connect more than 2.5 billion subscribers. Forty percent of the world's mobile traffic is carried over Ericsson networks. And our investments in research and development ensure that our solutions - and our customers - stay in front.
