New Chief Executive Director in Aurora Group

We are very pleased to announce that Pauli Joensen as at 1 February 2008 will take over the position as CED of the subsidiary company Aurora Group, which operates with companies in the 4 Nordic countries from its Herlev headquarters.

Pauli Joensen, who is Danish, 56 years old and has a M.Sc. in Economics and Business Administration with specialisation in Organisation and Strategic Planning and a B.Com. in Accounting, comes from a position as Director of Supply Chain in Schneider Nordic Baltic A/S, which is a company in the Schneider Electric S.A. group.

In 1996, Pauli Joensen was appointed as finance director and member of the Board of Directors in Lauritz Knudsen A/S (which as of 1999 has been a company under Schneider Electric S.A.), where he was responsible for the functions finance, logistics, purchase and IT, and as at 2003, Pauli Joensen took over his former position in connection with the establishment of Schneider Nordic Baltic A/S.

Pauli Joensen replaces Jesper Ourø Jensen, who after many years' effort will be leaving the company during the first quarter of the year to take up new challenges outside the group.

Yours faithfully,

Solar A/S

Flemming H. Tomdrup
