Information in the market regarding projects in Norway

Today, there is information in the market regarding Vestas having been appointed preferred supplier for six planned wind power plants in Norway.

Vestas can confirm that Statkraft and Vestas have signed a Letter of Intent to supply wind turbines for the Fosen and Snillfjord/Hitra projects in Norway. If this results in firm and unconditional orders according to Vestas' definition, Vestas will disclose company announcements immediately thereafter to this effect.

Vestas discloses this announcement based on Vestas' obligation as a Danish listed company, ref. the Securities Trading Act, section 27(2).
