# Rejlers will have 35 teams in the Grönklitt race

**At the end of January a new ski race is born! Grönklitt relay is an exercise competition consisting of 60 km divided up into five laps. Starting, switching and goals are at the ski stadium in Orsa Grönklitt. President and CEO Peter Rejler will be in one of the teams. Aron Anderson, who last year conducted a "Swedish classics" in a wheelchair, will also take part in the race.**

Of the 50 teams who stand on the starting line 35 are from Rejlers. About 175 employees of the company from Sweden, Finland and Norway will compete together.

"We have a long tradition of training and competing together. It is healthy in many ways. It is also a good way to build teams and strengthen cohesion", says Peter Rejler, president and CEO of Rejlers, who himself will participate in one of the teams.

"We have made attempts in the past to start a new exercise contest in Orsa Grönklitt. When Rejlers now decided to put up with so many teams, that dream has now become a reality", says event director Bror Nilsson.

The laps in the race are 12 km, 20 km, 8 km, 15 km and 5 km.
